

Volunteers
registering
with us
help to
reduce

Louisiana's
debt to the federal government with
in-kind contributions at the rate of
\$20.25 per volunteer hour.

The people of Louisiana and
the United Methodist Church
say to all the people
who have demonstrated
generosity and compassion...

Thank You!

**We cannot rebuild
without YOU!**

**Take advantage
by volunteering!**

**God bless you
as you consider
registering!**

Come

**Let Us
Rebuild**

**Volunteers
Needed**

*"Then I said to them, 'You see the
trouble we are in, how Jerusalem lies in
ruins with its gates burned. Come, let us
rebuild the wall of Jerusalem, so that we
may no longer suffer disgrace.'"*

Nehemiah 2:17

LA United Methodist Disaster Response

Come, Help Us Rebuild

A message from the Manager of Volunteers...

Volunteers like you have been the key element of this vital ministry which is helping to repair and rebuild homes, churches, and lives damaged by the disasters in South Louisiana.

The homes you help repair or rebuild are owned by people and by volunteering this gives you an opportunity to meet the needs of the disaster survivors with the dignity and respect of God's love.

Volunteers are needed and you can make a difference. Just a few hours can change a person's life and yours.

If you represent a business, rotary club, corporation, service club, congregation, or other group, consider helping others by volunteering. Go to our website, www.laumcstormrelief.com, and click on "VOLUNTEER WORK." or call Rev. Yvonne P. Dayries at 225-346-5193.

Rebuilding and Recovery

This work involves painters, carpenters, plumbers, electricians, and other skilled labor. Building skills are important and highly valued; however specialized skills are not required. It helps the rebuilding process when a team has at least one skilled volunteer to every five unskilled volunteers.

**Hosted more than 86,902 volunteers.
Provided more than 3 million hours of
labor for a combined value of more
than \$58.1 million.**

Preparation Training

Volunteer team members that are interested in improving their construction skills prior to volunteering can check at Lowe's and Home Depot for free classes on drywall taping and floating, texturing walls, applying molding, installing doors, tiling, and carpeting.
